Uncover the life cycle mystery

Inside the womb challenge

1
Find the **Inside the womb**
display in *Human Biology*.

This exhibit shows us what
a seven-month-old baby in
the womb can hear and
what it looks like.

2
Complete the acrostic
poem about waiting to be
born. Start every line with
the letter given. **Think**
about what it would look,
sound and feel like waiting
to be born.

Waiting to be born
